🎬 PROJECTS

Currently working on freelance assignments from freelance web sites and other sources.

Platforms	: Oracle 10g, PL/SQL, SQL, Jasper/iReport 3.0.0, Fedora10, Unix Shell Scripting
Clients	: From all over the world

Currently working as a freelance Oracle, PL/SQL developer. Got an excellent feedback (9+ out of 10) so far from the customers worked for.
Also getting self-trained on MySQL and PHP to enhance the skill set. Planning to get trained on various OpenSource technologies.
Currently looking for full time/part time/freelance assignments and can work on-site (Pune city only or overseas for short term up to 6 months) or from home if required software set up/access is provided.
